Conference Overview

Since 1981, the Florida Association of Community Health Centers, Inc. (FACHC) has been the leading state advocate for community-based healthcare programs. Focusing on Florida's Federally Qualified Health Centers (FQHCs), the Association plays a vital role in educating federal, state, and local policymakers about healthcare issues and the role health centers play in Florida's healthcare system.

The primary mission of FACHC is to improve access to comprehensive, high-quality services by bringing together agencies, legislators, and key persons able to positively impact healthcare services. Our staff works with the Department of Health and Human Services (HHS) Bureau of Primary Health Care, the Region IV HHS Public Health Service in Atlanta, the National Association of Community Health Centers, Inc., and the Southeast Health Care Consortium, Inc. which includes key representatives from Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee.

FACHC's strong presence in Tallahassee, where our corporate headquarters are located, provides fast access to the Legislature, the Governor's Office, the Department of Health, and the Agency for Health Care Administration for issues affecting health centers and their patients. FACHC also contracts with a Governmental Consultant to enhance its state advocacy efforts in the Legislature.

The 2023 FACHC Annual Conference promises a one-of-a-kind opportunity to network at the oceanfront resort that blurs the line between work and play. With FACHC, you're sure to have some fun while building meaningful client relationships. This year's theme is *Bright Ideas for Brighter Futures.* Here's your chance to show our Members how your organization can help Florida's Community Health Centers SHINE BRIGHT!
