

Health Center Emergency Management Summit 2024 - Preliminary Agenda*

Location: Hilton Lake Buena Vista

Dates: November 6th, 7th, and 8th (Wednesday- Friday)

Schedule: Wednesday: 11:30pm-5:30pm | Thursday: 9am- 5pm | Friday: 8am- 2pm

Wednesday Agenda- Academy Day

11:00-11:30	Check- In and Working Lunch	
11:30-5:30	Immersive Training: Continuity of Essential Health Services Designed to help health centers identify their essential services to improve their continuity planning with a focus on the following: patient care, patient relations, clinical orders, records and documentation, procurement and inventory, cyber safety, and staffing. The course will strengthen foundations of continuity planning concepts and build skills for plan development.	Immersive Training: Hazard Vulnerability Analysis Review and Development Developed for health centers to walk through their existing hazard vulnerability analyses. This training will identify all likely hazards, assess the potential impacts for each, and list resources to support planning and response. The training will also focus on the transition from hazard identification to preparation, and policy development to mitigate threats.
